13 Commonwealth, taking into consideration any substantial adverse impact on
14 existing Commonwealth businesses;
- 15 (e) Generate a minimum of twenty-five percent (25%) of the total revenues
16 derived from the project attributable to sources outside of the Commonwealth
17 during each year a grant contract is in effect;

- 3 2. The estimated amount of increment the development area is expected to
- 4 generate over a twenty (20) year period from the projected activation
- 5 date;
- 6 3. The estimated amount of ad valorem taxes, other than the school or fire
- 7 district portion of ad valorem taxes, from real property, Kentucky
- 8 individual income tax, Kentucky sales and use taxes, local insurance

- 13 4. The estimated increment the development area is expected to generate
- 14 over the twenty (20) year period, equal to the estimated amount set forth
- 15 in paragraph (a)2. of this subsection minus the estimated amount set
- 16 forth in paragraph (a)3. of this subsection; and
- 17 5. The project or development area will not occur if not for the designation
- 18 of the development area and granting of increments by the
- 19 Commonwealth to the development area.
- 20 (b) The independent consultant shall consult with the economic development
- 21 authority or the tourism development authority, as appropriate, the Office of

- 23 Revenue Cabinet in the development of the report. The Office of State Budget
- 24 Director, the Finance and Administration Cabinet, and the Revenue Cabinet
- 25 shall agree as to methodology to be used and assumptions to be made by the

4 economic impact to the Commonwealth and the expected amount of
5 incremental state revenues from the project to the economic development
6 authority or tourism development authority, as appropriate. Approval shall not
7 be granted if it is determined that there is no projected net positive economic
8 impact to the Commonwealth.

9 (c) The primary project entity shall pay all costs associated with the independent
10 consultant's report.

11 (4) With respect to each city, county, or agency that applies for approval of a project
12 and development area, the economic development authority or the tourism
13 development authority, as appropriate, shall request materials and make all inquiries
14 concerning the application the economic development authority or the tourism
15 development authority, as appropriate, deems necessary. Upon review of the
16 application and requested materials, and completion of inquiries, the economic
17 development authority or the tourism development authority, as appropriate, may by
18 resolution grant approval for:

19 (a) The development area and project for which an application has been
20 submitted;

21 (b) The percentage of the Commonwealth's portion of the increment that the
22 Commonwealth agrees to have distributed to the agency each year during the
23 term of the grant contract;

24 (c) The maximum amount of costs for the project for which the increment may be
25 distributed to the agency; and

26 (d) The grant contract.

27 (5) Prior to any approval by the economic development authority or the tourism

1 development authority, as appropriate, the economic development authority or the
2 tourism development authority shall have received an ordinance adopted by the city
3 or county creating the development area and approving the project and establishing
4 the percentage of increment that the city and county are distributing each year to the
5 agency to pay for the development area for which economic development authority
6 or tourism development authority approval is sought. The economic development
7 authority or the tourism development authority, as appropriate, shall not approve a
8 percentage of the Commonwealth's portion of the increment to be distributed to the
9 agency each year with respect to a development area and project greater than the
10 percentage approved by the city or county creating the development area.

11 (6) The amount of increment available for a development area shall be no more than
12 eighty percent (80%) per year, but shall in no case exceed twenty-five percent
13 (25%) of the project costs during the term of the grant agreement.

14 (7) The terms and conditions of each grant contract are subject to negotiations between
15 the economic development authority or the tourism development authority, as
16 appropriate, and the other parties to the grant contract. The grant contract shall
17 include but not be limited to the following provisions: the activation date, the
18 agreed taxes to be included in the calculation of the increment, the percentage
19 increment to be contributed by the Commonwealth and other taxing districts, the
20 maximum amount of project costs, a description of the development area and the
21 project, the termination date, and the requirement that the agency annually certify to
22 the economic development authority or tourism development authority, as
23 appropriate, as to the use of the increment for payment of project costs in the
24 development area.

25 (8) The agency responsible for the development area that enters into the grant contract
26 shall, after each year the grant contract is in effect, certify to the economic
27 development authority or the tourism development authority, as appropriate:

- 1 (a) The amount of the increment used during the previous calendar year for the
2 project costs; and
- 3 (b) That more than twenty-five percent (25%) of the total revenues derived from
4 the project during the previous calendar year were attributable to sources
5 outside the Commonwealth.
- 6 (9) (a) Any agency that enters into a grant contract for the release of any increments
7 that may arise during the period of a grant contract shall, after each calendar
8 year a grant contract is in effect, notify each taxing district obligated under the
9 grant contract that an increment is due. In consultation with each taxing
10 district, the agency shall determine the respective portion of the total
11 increment due from each taxing district, and the determination of the agency
12 shall be reviewed by an independent certified public accountant. The agency
13 shall submit to the Revenue Cabinet for certification its determination with
14 respect to the total increment due together with the review of the certified
